4 Frederick Street,  
FAIRFIELD.

Dear Sir,

Re: Estate late Elizabeth Woods to Herring.

The transfer of the property No. 8 Frederick Street, Fairfield, was completed on 22nd instant. We made a calculation of the balance due by the purchaser by reference to the particulars supplied by you. We enclose a copy of our calculation herewith from which you will notice that the balance owing as at 1st January 1960 was £1,814. 4. 9 after charging interest at 7% per annum as provided in the contract. The terms of sale provide for a mortgage to secure £1,800. 0. 0 and accordingly the cash amount received by us was £14. 4. 9. Interest has been computed up to 1st January 1960 and accordingly the interest under the mortgage commences from 1st January 1960.

We enclose an epitome of the mortgage. A copy of the epitome has been sent to the mortgagor's solicitors. The mortgagor has not effected an insurance of the property as required by the mortgage but we have written to his solicitors requiring the insurance to be obtained forthwith. In the meantime you should maintain the existing insurance until the new policy has been received.

The amount received on the completion of the transfer includes all rates paid by you since the date of contract less a proportion of municipal rates due by you for 1958.

We have given notice of alienation to the council and W.S.&D. Board.

We enclose a memo of our costs in connection with the transfer and a statement of the amount received. We enclose also a memorandum dated 7.12.57 received by us from Messrs. Robilliard & Robilliard for their fees for drawing the contract.

Yours truly,

*Henry Davis York & Co*
